#### REMARKS

Claims 1-26 are pending. Claims 1-7, 11, 14-19, 22 and 26 stand rejected under 35 U.S.C. §102(b) as being anticipated by Journal Article "Active growth factor delivery from poly(D,L-lactide-coglycolide) foams prepared in supercritical CO<sub>2</sub>" by David D. Hile *et al.* ("Hile"). Claims 8-10, 12, 13, 20, 21 and 23-25 are indicated as being allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicants have rewritten Claims 8-10, 12, 13, 20, 21 and 23-25 in independent form as indicated above. Original independent Claims 1 and 15 are cancelled.

In view of the above, it is respectfully submitted that this application is in condition for allowance, which action is respectfully requested.

Respectfully submitted,

Needham J. Boddie, II  
Attorney for Applicants
